Notes:

- A. Teacher can make a "secret" map and choose a location for the Treasure. Students follow teacher's directions to know the location of the treasure. Put the treasure button on the same spot. Check the answers if correct.

- B. By pair: take turns in the role as the Direction-giver and the Treasure-hunter. They can also decorate their map with other items: trees, houses, animals.

For Grade 5:

Lesson: In, On, Under, By

Notes:

- A. Teacher can make a "secret" bedroom picture and choose a location for the different items. Students follow teacher's directions to know the location of the items. Put the items on the same spot. Check the answers if correct.
Examples: The red shirt is on the bed. The basket is by the table.

- B. By pair: take turns in the role as the Direction-giver and the picture-maker. To check if correct, the 2 students compare their tablets/picture to see if the items are in the same location.
