

# Battleship!

You have 7 circles

Yes, I do.

No, I don't

Ex. I want him to read the book.

➤ Do you want him to read the book?

Your board:

	A) I want you	B) I want her	C) I want them	D) I want my teachers
1) to do my homework.				
2) to wash the dishes.				
3) to speak French.				
4) to eat pineapple.				
5) to go to seven-eleven.				

Your opponent's board:

	A) Do you want me	B) Do you want her	C) Do you want them	D) Do you want your teachers
1) to do your homework?				
2) to wash the dishes?				
3) to speak French?				
4) to eat pineapple?				
5) to go to seven-eleven?				

Find all of your opponent's circles to win!
