

# A Day at the Zoo

Name:

Class:

Seat No:

## The Story:

Last Saturday, five students went to the zoo. They went early to see their favorite animals. While they were waiting, each student got a free balloon. Each balloon was a different color.

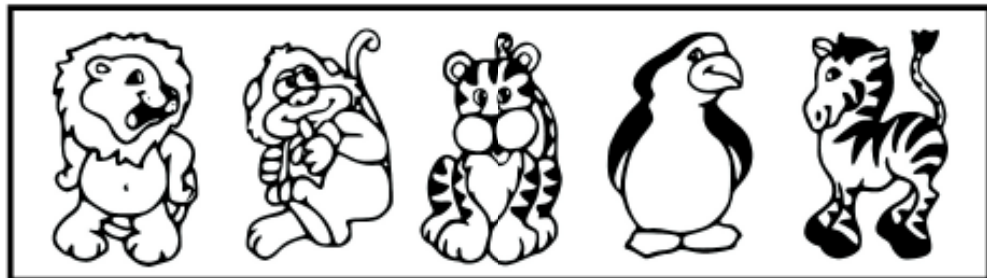

## The Students:

## The Balloons:

## The Animals:

## The Challenge:

1. Find the order of the line.
2. Find each student's favorite animal.
3. Find each student's balloon color.

## The Hints:

- (1) The girl who likes tigers is third in line. The balloon she has is not red or blue. She is not Peach.
- (2) The student who is last in line is not Snoopy. The student who is before Snoopy is a boy.
- (3) The animal that Sazae likes is not a tiger or a zebra.
- (4) Sazae and Peach do not have red or blue balloons.
- (5) The student with a blue balloon is not Chopper.
- (6) The student who likes zebras doesn't have a green balloon. They are fourth in line.
- (7) The student who has a yellow balloon likes lions.
- (8) The student who likes penguins is not Snoopy.
